- Multiply 2 and three-digit numbers by a one-digit number using formal written layout.

Fractions and decimals.

- Find fractions of amounts
- Convert fractions to decimals. (tenths, hundredths, quarter, half and three quarters)

YEAR 4 HOME LEARNING

Dear Parents,

Here is an overview of tasks your child needs to be completing at home over the forthcoming weeks. We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening.

Please see the attached recommended daily work schedule to help you plan your day.

We will be in communication with you via Google Classroom and email as much as possible during this time.

Warmest regards,
Miss Linney & Miss Fox

j.linney@platdouet.sch.je
h.fox@platdouet.sch.je

History/Geography

New Zealand

1. Learn to create Kowhaiwhai patterns
2. Make a tourism board leaflet for New Zealand.
3. Research a New Zealand city.
4. Create an 'earthquake' awareness/ safety video.
5. Learn some Maori words and create a glossary of terms.

Science

- Function of the digestive system in humans
- Identify different types of teeth and their functions
- Construct and interpret a variety of food chains.
- Know about alternative energy sources.
- Know common appliances that run on electricity
- Know about safety when using electrical appliances.

Reading

There is still an expectation that children will read daily and have a signed signature in their diary. This is a great opportunity to read some good books – us adults certainly will be!

Writing

Children will build on their learning of their class novel Varjak paw by SF Said. They will have excerpts to read, with questions and writing tasks based on each of the excerpts. Children will write: letters, short stories, explanation texts and instructions.

Children can learn the statutory spellings for Year 4.

You can also go to <http://www.pobble365.com/> and complete the daily work for each picture on there. We would love you to share the writing with us that you produce on Google Classroom – let your imagination run wild!

Spellings:

Learn the statutory spellings for Year 4.

Try to use the following strategies:

- Look, say, cover, write, check.
- Trace, copy, replicate
- Quick Write
- Boxing up the word to show the shape
- Drawing an image around the word
- Words without vowels
- Pyramid words.
